

LUDWIG REITER

SPRING / SUMMER 2026

FRIENDSHIPS WOVEN TOGETHER

In cafés and corner tables, friendships are woven together over coffee. Elegant Ballerinas (D.8800-FVD) and the classic Mini Market Bag (N.T745-FVD) made of finest woven suede from the hills of Fermo. Trusted companions that move confidently together — effortless, understated, and shaped by the pleasure of shared time.

TRAVEL LIKE A BREEZE

Even the most relaxed departures deserve a little pomp and ceremony. Crafted in soft navy (T.505-VWN) and tobacco suede (T.505-VST), leather-lined and set on a featherweight espadrille sole, the Portuguese (T.505-VWN) is a summer loafer with character. A light traveller — refined for dinner, relaxed for the stroll there. Calabrese Belt, Tobacco (G.114-T).

SHAPED FOR CONVERSATION

Good form is rarely accidental. The classic Tassel Loafer (R.42-VWD.LC-3-S) in rich mocca hydro-suede is Goodyear-welted, leather-lined, and set on soft leather soles for durability and quiet refinement. A global shoe for time spent among curious minds, old friends, and newfound destinations.

COLOUR TAKES ROOT

The Sprinter (T.515-VBV-GHPC) in vibrant fuchsia with contrasting white stripes and honey-coloured BW-Sport soles meets the Marathon (T.523-VCG.C) in fresh summer emerald green, both crafted in soft suede and leather-lined for adaptable ease and elegance. Footwear designed to collect life's colour wherever it blooms.

A BRIGHTER OUTLOOK

Spring brings new opportunities and an invigorated instinct to capitalise. Handcrafted in Patina Calf leather and shaped on the Victor last, the Kapuziner (R.12-BPD.VF-3) and Derby (R.50-BPC.VF-3) are Goodyear-welted and set on leather soles with leather lining, offering a contemporary silhouette with youthful confidence. Designed for modern tailoring, they are ready for longer days, lighter jackets, and a brighter outlook.

Founded in Vienna in 1885, Ludwig Reiter has made shoes defined by timeless design and enduring quality. Across five generations, the company remains faithful to heritage, craftsmanship, and knowledge refined over time.
