**AUTUMN/WINTER 2023**

CECIL VON RENNER, STELLA VON SENGER AND ANNA REITER-SMITH IN THE PONTIAC 8 IN SÜSSENBRUNN

Dear Ladies and Gentlemen,

in our last catalog we explored Süßenbrunn, the manufactory and the company, this time we want to let our customers speak.

Stella von Senger, stylist and artist, and Cecil von Renner, actor, are true Ludwig Reiter lovers and long-time customers from Berlin. They show us how to wear our classics in a very unconventional and unexpected way. Stella's own pair of Maronibrater has accompanied her for more than half of her life and she still wears them with pride, both to Paris Fashion Week and with corduroy trousers in the forest. Cecil prefers to wear "vintage" Ludwig Reiter woven leather Slatin Paschas he inherited from a friend of his father.

Inspired by the crisp autumn wind, we have reinterpreted classics of our manufactory in the autumn/winter 2023 collection and equipped them with innovative features, such as lambskin lining, ultra-light mountain profile soles or red laces.

Because we, like Stella and Cecil, love art and design, art works by Austrian artists, such as chairs and paintings, have been included in the pictures.

The opinion of our customers is important to us, so we asked Stella and Cecil how they like to wear our shoes. They brought Berlin flair and creative wind into the photography and dared to take a stylistic step out of our comfort zone: humorous and unexpected, but with full enthusiasm (for our craft).

What do you think?

Enjoy browsing,

## WE ARE ALSO BERLINERS

If you are walking along the Kurfürstendamm in Berlin, we highly recommend a visit to our store. The special thing about it: not only the charming interior, the expert and friendly advice of our staff, but that you always leave the store with a new pair of companions, happy to be in Berlin. Berlin is not only the home of Stella von Senger and Cecil von Renner, many actors and actresses have come and gone here to choose shoes for their next film role: For example, Brad Pitt in his Husaren Boots for Inglorious Basterds.
