QUEEN OF THE STEPPE

VIOLETTA Suede Dark brown D.8739-VD

A photograph of two pairs of leather boots resting on a large, weathered log in a forest. The log is cut into several sections, showing the internal wood grain. The background is a lush green forest with sunlight filtering through the trees. The boots are positioned on the log sections: a pair of reddish-brown boots on the left and a pair of black boots on the right.
